

BLUEBELLS – NOTICEBOARD ENQUIRIES REPORT

On Monday 22nd April 2024, Cllr Macrae met Mr Neil O'Connor who is responsible for the maintenance of the Bluebells estate (built by Bellway).

Cllr Macrae asked Mr O'Connor if the maintenance company would make a donation towards the purchase of a communal noticeboard?

Mr O'Connor explained that the maintenance funds are directly paid by the Bluebell residents and it would mean that every household would pay towards that grant.

Mr O'Connor did offer and is has said that he is prepared to seek a donation from Bellway for the noticeboard.

The best site: in the northern open space/play area, beside the public benches and beside the tarmac path. Mr O'Connor will check on the underground services in that area as he holds the as-constructed site plans.

Cllr Macrae advised that it may be a while before he was able to come back to Mr O'Connor on this proposal as with all Parish Council business it takes some time to resolve any matter as there are only monthly meetings.
